

A CUSTOMIZED PACKAGING EXPERIENCE

DESIGNED TO FIT YOUR NEEDS - A memorable client experience results in unmatched client loyalty. Just as we work to create a unique experience for your clients, we promise to do the same for ours. We offer a full concept-to-completion life cycle, acting as a **core member of your team** rather than an external vendor. We have invested in the best equipment and the best people to ensure that our work meets the same standards and deadlines to which you hold your internal team.

As a result, you receive **higher quality** at a **lower cost** in a **shorter time frame**.

Concept-to-completion life cycle.

Storage solutions and **inventory analysis**.

Blanket purchase orders.

Domestic and **global** manufacturing expertise.

OUR GUARANTEE

Interpak offers over sixty years of experience as an American-based custom packaging manufacturer with a global presence, state-of-the-art equipment, world-class people, and a commitment to continuous improvement. Our comprehensive and personalized packaging experience has resulted in as much as a 25% decrease in inventory cost for previous customers, and a substantial decrease in total cost throughout the entire process. We guarantee that our engagement will be directly tailored to fit your needs. Allow us the opportunity to earn your trust while helping you increase your sales and profit.
